

 KIRSCH®

DESIGNER METALS™

INSPIRING

Brilliance

Good design demands perfection, and perfection shines through the Kirsch® Designer Metals™ Collection. With an expansive assortment of sophisticated styles and striking finishes, each piece is designed with thoughtful details to compose a dramatic statement for your home. It becomes an impressive visual narrative of pure brilliance, as well as a reflection of exceptional taste displayed in a dazzling manner. Kirsch® Designer Metals™ is the perfect selection for the room that requires finesse with a touch of glamour.

ESTATE™ TRAVERSE RODS

The Estate™ 2" Rod Collections are the flagship of the Kirsch® Decorative Drapery Hardware product lines. Estate™ rods are decorative traversing drapery rods with heavy duty wheeled carriers that are designed to carry today's heavier draperies. Having set the interior design standard for decades, each of the three Estate™ collections are characterized by historically inspired finials, premium finishes, and precision-engineered components. Buckingham®, Designer Metals™, and Wood Trends™ Collections are featured in countless luxury venues and designer homes throughout the world.

For details on what is included with your Estate™ traverse rods please refer to the Kirsch® price list.
